Established in 1952, the club is an incorporated society managed by a combination of volunteers and staff. We are the largest bridge club in New Zealand with a membership of around 1000. Our modern clubrooms were damaged in the February 22nd earthquake and we have moved to premises at Bowls Papanui, 181 Condell Ave until our premises are rebuilt.

People play bridge for many reasons— **recreation & relaxation, stimulation & challenge, company & friendship**: to gain a new skill that will last a lifetime: **to keep the brain active & healthy.**

A SUPPER BREAK will be taken at or around 9.00pm.

SUMMARY SHEETS of all the lessons and quizzes are available in book form and will be handed out to each person on payment of fees.

HOMEWORK: As the course progresses we recommend two things:

1. Take a few minutes each week to read through your lesson notes from previous sessions. Consolidation is valuable.

2. Try to get a group of four people together for an hour or two for a practice session. The more you play the easier it is to learn.

PARTNERS: Many people come to the classes on their own and usually meet up with others with whom they can enjoy the game.

QUESTIONS Please ask anything you want to know at any stage. We are only too pleased to help.
